Welcome to our Lodge, Chapter and Moose Family. Membership information for new LOOM members was not provided for March.

**WELCOME TO OUR MOOSE FAMILY!!**

## Sickness & Distress

If you, or you, are aware that a Brother LOOM member is sick, hospitalized, distressed, or deceased, please notify the Lodge, Prelate, Dan Papp, [dpapp@camber.com](mailto:dpapp@camber.com) or 760-310-8031.

For a WOTM Co-worker please contact Amber Freeze at [amberescondido@yahoo.com](mailto:amberescondido@yahoo.com) or 760-214-6792. A "Get Well" card will be sent to the sick or bed-ridden members. Also, with the approval of the patient, family and hospital staff, personal visits may be arranged. With the permission of the patient or family, the progress of their condition will be announced at the general membership meetings.

Getting sick is no fun, so let us know when it happens to you or your loved one so that we may send a little ray of sunshine on an otherwise grim situation. *After all, that's why we're Moose family.* Thank you for your help.

## GOVERNOR'S CORNER

Boot Camp. Does that bring back memories? When you look back at all the training, it boiled down to (1) learning how to work with your fellow soldier and (2) follow orders (it could save your life!). Plain and simple.

At the Moose Lodge, it really isn't much different. We follow orders/procedures/rules. Just like any platoon or a business. At the Reno Conference, it was announced that they are adding another requirement for a lodge to earn Premier Lodge.

- 1) Increase Active Membership over the fiscal year ended 4/30/2017
- 2) Increase in Total Giving to Moose Charities, excluding amounts for Safe Surfin', Special Olympics, Youth Awareness or other "pass-through" gifts not directly benefiting Mooseheart or Moosehaven, over the fiscal year ended 4/30/2017.

There are other requirements that go with this prestigious award and I won't bore you with the details, but they have now added that a lodge has to conduct six Orientations per year. When you attend orientation, you not only learn about the Moose, Mooseheart and Moosehaven, you meet fellow members who could very well turn out to be lifetime friends. We are a family fraternity and it is up to every member to understand and participate in activities throughout the year. Start by coming to Orientation. Follow that by coming to the meetings. *Ninety-nine percent of the conflicts at our lodge can be avoided if our members understood the why's and how's.*

We have over 290 Seniors at Moosehaven and it is considered one of the top five senior facilities in the U.S. Now that is something to be proud of! Looks like the Pier will be replaced soon. We still need to raise money to finish up that project. Progress on all the new buildings at Moosehaven is impressive despite the delay's due to the hurricane.

We can't forget about the kid's. The Moose Riders have been so generous. They have donated thousands of dollars toward Mooseheart and Camp Ross. Our monthly endowments go toward the kids (and seniors). Monies collected for the Rocker & Cradle funds was way down this year. Let's make an effort to double our efforts next year! Those dollars here and there add up fast.

Again, please step up and volunteer. We need help in the kitchen. We're not asking for you to cook a full meal, but come and help prep or serve a meal. You just don't know how much that means to the cooks who volunteer month after month. Always stuff to do in the park. See one of the officers if you are interested.

Fraternally,

Lee White  
Governor

## PAST REGENT'S CHAPTER CHATTER

Reno Conference. What can I say? Lots of fun, seeing friends from other lodges and learning more about Mooseheart & Moosehaven. I truly hope that I will get to visit both facilities in the near future! Attendance at the conference was down (I'm sure the weather played havoc with people's travel plans) but over \$16,000 was raised to go towards Moose Charities. Way to go ladies!! The monies raised were from the Donor Circle; Moose Centennial Fund; Booster Club; School Supplies, the Pier at Moosehaven to name a few. Five dollars here, five dollars there, sure do add up quickly!

Our chapter is very active in the activities of Conference. Pat Walker & Sue Hicks have a booth at Conference to share information about Moosehaven. Charly has a booth for Membership and I, the newbie, have a booth for Valued Veterans. Did you know that CA/NV Moose Association has 99 chapters between California & Nevada? Lots of work to pull together everything and then lug it up to Conference. We are sincerely hope that since the contract is up in September at the Atlantis that they will choose a location in Southern California. Conference is truly a way to connect with members and learn all the newest and greatest at Moose International.

Conflicts. I don't want to bring this up, but while at Conference I heard about a lodge that the members were planning a "hostile" takeover. What? It is time for elections, yes, but if the procedures are followed, why all this conflict? Members were blasting downright nasty comments and accusations all over Facebook. Facebook is NOT the place to air lodge business! The Administrator & Board were enforcing Moose procedures, which has not been followed for several years at this lodge. When you take in account all the actions of the members, it truly is a lack of members going to meetings and not understanding the rules/procedures. I see the eyes roll when we say we can't do this or that. Are you aware that not only do we have to adhere to Moose International, but Alcohol Beverage Control (ABC), state and county rules? It can be as simple as not showing your membership card when purchasing an alcoholic beverage and we can be shut down by ABC. I know this sounds extreme, but we have to adhere to the rules to maintain the Private Policy and maintain our tax free status (note: we still have to pay Sales Tax & Property taxes - but that's a story for another day).

I ask that you save the date - May 20<sup>th</sup> and not only attend the District Meeting at our lodge, but a special workshop for the WOTM. Come for breakfast before the District meeting, which starts at 11:00. This includes ALL women members including those that are AllHeart members. Watch for details in the next newsletter. This workshop will cover WOTM aspects of a chapter, the HOW and WHY we do, what we do.

I'm pleased to announce that we have FULL board! Lydia Persails -Senior Regent; Terri Jacobsen- Jr Regent; Jeanne Pulver -Secretary Treasurer and Charly Papp -Recorder. Let's support our officers and offer to help them out next year!! If you are interested in becoming a Chairman, we have several openings and that is a good way to "get your feet wet." Talk to one of the officers if you are interested.

Looking forward to the Mother's Day Breakfast on May 13<sup>th</sup>. Always a favorite with the ladies!!!!

Sr. Regent (pro-tem)

RIDERS**

Activity Group

## What's Happening with the Moose Riders?

Last month, we gave you a little run down on where monies we earn are used. Just returning from the Reno Conference, we learned the CA/NEV Moose Riders combined, has donated over \$46,000 this year to Mooseheart, Moosehaven, WWII Honor Flight, Veteran's groups and local charities. So as you can see, Moose Riders do more than have fun, we work and donate to our Communities and to our Twin Cities. Join us, we have a lot of fun and you don't have to have a motorcycle to join the rides.

We're hosting a Rummage sale In June, but the date will need to change since there was already an event scheduled in the park for our original date of June 23rd. Keep an eye out for flyers as soon as we lock in a date. We need your support so we can continue to support fixing things around the Lodge and supporting our Kids at Mooseheart and the Seniors at Moosehaven. Again, please start putting aside your donations to the Rummage sale with your resalable items (remember no electronics). We'll soon have a trailer in the park to store the donations.

We do the cooking on the fourth Tuesday of every month to help out the lodge. Look for a monthly special burger, like the Western Bacon Cheese burgers, Ortega burgers or Teriyaki burgers (Check the week at a glance for the special of the month). Our next ride will be April 28th, riding to the Rainbow Café for brunch and a quick meeting, then on to Kalifornia Distilleries in Temecula with a sample tasting at 1 PM. Cost for tour is \$15/person with samplings of Apple Pie Liquor, Bourbon Whiskey, Vodka, Lemonade and a host of beer and mixed drinks (there is a Groupon for a discount). Please join us for a fun filled day.

Until Next time,  
Dogman Mark Castillero
