## WELCOME NEW MEMBERS

We know that it is YOU, our members, who make this Lodge a success. We thank the sponsors for recruiting new members and would like to say welcome to the JANUARY additions to our WOTM members. Welcome to our Lodge, Chapter and Moose Family. Membership information for new LOOM members was not provided at the time of publishing.

***SHEILA BARNETT***

*A big Escondido Moose WELCOME goes to our New Members and a huge Thank you to their Sponsors...*

## Sickness & Distress

If you, or you, are aware that a Brother LOOM member is sick, hospitalized, distressed, or deceased, please notify the Lodge, Prelate, Dan Papp, [dpapp@camber.com](mailto:dpapp@camber.com) or 760-310-8031.

For a WOIM Co-worker please contact Amber Freeze at [amberescondido@yahoo.com](mailto:amberescondido@yahoo.com) or 760-214-6792. A "Get Well" card will be sent to the sick or bed-ridden members. Also, with the approval of the patient, family and hospital staff, personal visits may be arranged. With the permission of the patient or family, the progress of their condition will be announced at the general membership meetings.

Getting sick is no fun, so let us know when it happens to you or your loved one so that we may send a little ray of sunshine on an otherwise grim situation. *After all, that's why we're Moose family.* Thank you for your help.

## GOVERNOR'S CORNER

Wow. What a tough month. So many members have passed. Our condolences to Cindy Mintz and her family. Her Mom, Carolyn Marsh, passed away and will be missed. It's sad and to top it off, we have a pair of great members moving to Oklahoma. The circle is broken and we must fill it in.

On a better note, things are getting cleaned or repaired around the lodge and fun events are being planned. To all these volunteers, thank you! And to all the Loyal to the Bone members that attend lodge functions, thank you for your support.

### Challenge to All Members

Chair an event or help to get 'er done at your lodge. We need fundraisers to help fund future projects at your lodge.

Social Quarters: for example, update the bar, flooring, stage

Parking Lot: Needs to be repaved

Park: There are always "honey do" projects

RV Park: Replace/Upgrade the electrical outlets, etc.

We can all make a difference, whether we physically do the work, attend the fundraisers, get donations for gift baskets or cash donations. The sky is the limit. No matter how small of a gesture, it all adds up and gets us closer to our goal. Speaking of stepping up, have you seen the new chairs down in the park? Two of our members saw that we needed to replace the chairs we had and they took care of it. Our thanks go out to Gary & Cindy Lake! Mucho appreciated!!!

It is time to get serious. Elections for our lodge's future officers for 2018-2019 are right around the corner. Please consider stepping up. If you want to see "change" at our lodge, then step up and join the board.

The newsletter went out late last month for several reasons. One being that the calendar was not complete. It is a waste of money to send out the incomplete calendar to our members that do not have access to a computer. They do not receive the Week At A Glance or have access to Facebook where we post regularly and inform our members of last minute additions or changes. This year we need to work harder on getting all meals & events planned by the 20<sup>th</sup> of the preceding month. Please attend the monthly Calendar Meeting and help us make the end of month deadline. Don't feel like you will be pressured to chair an event or meal, just because you attend the Calendar Meeting. We need ideas too!

The deadline is fast approaching for the Membership Renewal Discount. Don't miss it! See flyer in the newsletter for information.

Until next time,

Lee White

*Are you a new member? Hopefully, you've enjoyed one of our many fun events in the park, or dinner and dancing, Sunday morning breakfast, or Line Dancing with Duffy, or perhaps 3 Chord guitar lessons. Those are a few of the benefits of being a Moose Member, but do you really know what your membership dues pays for? The kids we support at Mooseheart, the seniors at Moosehaven, the many Community service activities we participate in are just an example. Want to learn more?*

## PAST REGENT'S CHAPTER CHATTER

“ I can tell you as a younger chapter member there are several reasons younger women aren't joining, let alone attending meetings or getting active. To be honest, our organization needs to catch up with the times! My generation doesn't accept that women are less than or not equal to the men. Secondly, the way the younger women get treated in the organization by the older ladies sometimes plays a role in it. If we're not accepted for our ideas and our abilities, why would we want to be around? I find that the older members don't want to change and it becomes a power struggle at times. Lastly, the awards we work for are really set up for house wives or retired people. People who have the ability to devote every waking moment of their life to the organization. Whether it be working and event, calling for donations, making a craft or a desert, attending a meeting, etc....it's very hard to do when you work full time on top of your regular household duties. Back when the programs were set up, it was much more common for the wives to be housewives and not working full time. Now the same ladies keep it going because they are retired if they were one of the working wives back then. We're set up right now in a way that makes them feel overwhelmed and defeated before they even get started. I can tell you because I am living it. I am doing it. Trying so hard to lead the Chapter to the award of achievement, doing everything I can think of and yet we may not make it, again. Which means I will not get my degrees which I have earned by doing my share but the chapter as a whole struggle's.

One other thing to note is activities. They need to be flexible, family orientated and not just old country or polka for music. Our generation doesn't care for only that type of music or activity.

Moose international is so focused on Millennials, they forgot about Generation X, the ones in between boomers and Millennials. I don't really fit the Millennials interests or the boomers... so what about me??

This is just my opinion and what I've noticed in my 2 years as a member and in my 3 chapters I'm a part of and helping as much as I can. I believe in what we do and want what's best for us and that is to keep Mooseheart and Moosehaven going!”

*Reprinted with Angie Babcock's permission*

“So what do you think? It really doesn't matter what generation you are from. Think of all the women that were co-workers before us. They had to suffer through long ceremonies, not only memorizing their parts, but having to wear long dresses. Heaven forbid having to do that today! **It's simple, we need your participation to make this chapter work.** Despite some of the “antiquated” WOTM rules/guidelines, the program does work. There is plenty of training and a wonderful Officers' Handbook available. The Handbook lays it all out monthly for us. **Let's work together so that all the generations can participate in activities this upcoming year.** Elections are right around the corner and I hope that YOU will step up. Let's bring back the fun and comrade to our chapter! *It truly is up to us to help keep the lights burning at Mooseheart and Moosehaven going.....”*

Cindy, please accept our thoughts & prayers at this difficult time for you and your family. Your mom will be missed by so many of us!

Heide White

Sr. Regent (pro-tem)

*In the end, we are our choices.*

*Build yourself a great story.*

## What's Happening with the Moose Riders?

Moose Riders :

The Escondido Moose Riders Activity Group has started the new year by enjoying the great riding weather. We have been having and doing a few local rides and enjoying each others company. We have also visited with the Extreme South moose riders and this next weekend of January 27th we will be meeting with the Lake Elsinore Moose Riders to go with them to visit the Oceanside Moose Lodge.

We do the cooking on the fourth Tuesday of every month to help out the lodge . We will be having our first meeting of the year this next Sunday, January 28th at 10 am in the park ( anyone is welcome to attend), and then a short but fun ride . Hopefully we can schedule our year long activity rides at this next meeting .

Until Next time,

Dogman Mark Castillero

## MESSAGE FROM ADMINISTRATOR'S OFFICE

Greetings to Everyone,

As you all know by now, due to Dale's health issues, the Administrator position is vacant. The LOOM Treasurer, John Turner, and I are sharing some of the responsibilities. With the help of Patti Grimmer and Heide White in the office, we're holding our own. If you know of a LOOM member who has the skills to manage operations, please ask him to contact John or I. This position is appointed and then ratified so you can start at any time during the year.

Let me start by saying, all of us are fraternally connected in our endeavor to better the community we live in. This means many of us are involved with other community service organizations. I would think it would be beneficial to our Lodge and to the Community for us to assist these organizations. We have a great facility here and have the ability to help community service organizations with meeting space, picnic facilities and a place to hold fundraisers.

Additionally, you may have noticed the calendar and newsletter has been late in being published . This has been due to health issues and deaths, and waiting for members to step to fill the calendar. As you have seen many meals are vacant, and the calendar has changed every month numerous times. This is not as noticeable to those members that receive emails, and are updated each week, but to those members that rely on the calendar they receive in the mail, it would be helpful to have a clear, full and accurate calendar when it is printed the first time. There is a need for our members to cook and bartend. If you desire to have the Lodge open every day, meals to enjoy, functions and activities; step up and help. The same faces are always working for your benefit and that of the Lodge., and they are wearing out. Please contact a board member and join us so we can continue the activities that have become a regular part of the Lodge. Step up to help and become a part of the solution.

I was walking through the park area and noticed several new bar stools at the barrel bar and on the stage. I found out that these extremely nice and well-constructed seats were donated by Gary and Cindy Lake. We wish to thank them both for their generosity and if you get a chance do so also.

I wish to thank Dale for all he has done and for helping the Lodge constantly. Please keep in mind the number of members we have lost in the past few months. May they rest in peace.

Fraternally,

Dan Papp, Assistant Administrator
