Important Update: Transitioning to Digital Drink Tokens

Out with the old, in with the new!

We're making some changes to how we do drink tokens at the Lodge. To keep things simple, our POS system will now be issuing paper receipts for drinks instead of the old physical tokens.

A huge shout-out to all our volunteers, past and present. You guys are the heart of this Lodge, and we can't thank you enough for everything you've done over the years!

If you've got a stash of physical tokens at home, now is the time to use

'em! You have until **May 1, 2026**, to trade them in at the bar. After that, we'll be fully switched over to the new receipt system.

So, come on down, grab a drink, and help us clear out those old tokens!
